VC Jobs With a Future

Want the inside scoop on some of the hottest jobs in Ventura County? Want to know what it takes to get into those careers? Start with the VC Jobs With A Future website to learn about growing careers options. Everything you need in one place including:

What's happening at school?

- Middle School – Learn about opportunities that are available at your school to begin developing skills and exploring leadership opportunities.
- High School – Find out what career development resources are available at your high school.

What about after school?

- Places To Go – Check out the youth centers in your city that offer after school programs that can help you begin career exploration.
- Internships - Search for internship opportunities at www.interships.com.

Choose Your Career

- What career move is right for you? – Match personal strengths with job choices and financial goals then plan your career path.
- Growing Careers in Ventura County – Explore the hottest and growing careers in the 805.

Plan Your Education

Connect your career choice with the educational path to achieve your goal. Go to “Educational Paths” on the VCJobs website to learn about:

- 1-2 Year continuing and vocational training
- 2-8 Year college
- Learning on the road
- Online learning
- College application resources
- Financial aid and scholarships

Go To VCJobsWithAFuture.org and start planning a great future!
